Re: United States v. Calvin Swen, 07 CR 462

Dear Judge Preska:

We write, on consent, to request that defendant's bail be modified in order to extend his travel limits to include the Southern New Jersey/Philadelphia area to which his wife and children recently re-located from Georgia and in which several other family members reside. The defendant's bail conditions now restrict his travel to the Southern and Eastern Districts of New York and Georgia (and the corridor between New York and Georgia). However, because of his family's location, we ask that his travel limits be extended to South Jersey/Philadelphia and, for purposes of travel, the area between New York and South Jersey/Philadelphia. I have spoken to AUSA Todd Blanche and Mr. Swen's pretrial supervising officer, Natasha Ramesar, and they consent to the instant application.

If the Court is willing to grant the application, it may do so by executing this letter at the "So Ordered" signature line below.

Respectfully submitted,

Julia L. Gatto
